

1. Click “Widget Menu”

The screenshot shows a widget menu interface. At the top left, there is a red icon of a grid with a white square in the top-left cell, followed by the text "By Adam Frank". Below this is a dark grey header bar with the text "WIDGET MENU" in white. The main content area features a book cover for "The Constant Fire" on the left, which depicts a nebula. To the right of the cover is the book title and a short description. At the bottom of the widget is a dark grey footer bar with the text "Powered by AdaptiveBlue" and a small logo.

 **The Constant Fire**  
Eloquent, urgent, and inspiring, The Constant Fire tackles the acrimonious debate between science and religion, taking us beyond its stagnant parameters into the wider domain of human spiritual experience.
